

about your child's needs so we can help them adjust happily and quickly. There is a 2-week trial period, which should give both parties time to evaluate this new situation and decide if it will work for all concerned. Any concerns should be brought up at this time by both the parents and the Care providers. If honest communication between parents and the Care providers is not established from the beginning, termination will most likely result by one or the other parties.

REST TIME

Every child through the age of 5, by State Law, will have a rest time. Those who sleep will be awakened about 2 p.m., except for infants. Older non-napping children (first grade and older) will be expected to do quiet activities while the younger children sleep.

Sleeping equipment, mats, sheets pillows and blankets will each be stored separately and laundered daily. Mats will be sanitized as used. Parents may provide a blanket and pillow for their children.

MEALS AND SNACKS

Breakfast is served around 8:30; lunch is served at 11:00, afternoon snack at 2:30. Our center participates in the food program. We serve state required nutritious snacks and meals.
